

POWERGEN INTERNATIONAL

The Largest Networking and Business Hub for Power Generation Professionals.

POWERGEN International® stands as the premier networking and business hub for power generation professionals and solution providers. Bringing together power producers, utilities, EPCs, consultants, OEMs, and large-scale energy users, it serves as a platform to explore innovative solutions amid the shift towards cleaner and more sustainable energy sources. POWERGEN fosters a progressive environment for our core audience, supporting their evolution, while also attracting new energy professionals embracing the clean energy movement towards Destination 2050.

January 23-25, 2024 - Ernest N. Morial Convention Center - New Orleans, Louisiana
